

**B.A.T.A.N.S.**  
**MISSION STATEMENT**

To promote the enjoyment and preservation of classic British-made automobiles and to encourage fellowship amongst the owners and admirers of such classic automobiles by:

- organizing and promoting gatherings of classic British-made automobiles and their owners and admirers;
- promoting the sharing of information about preservation and restoration of automobiles among members by holding meetings of the membership, gatherings, and by distributing information;
- acquiring real and personal property and to use such property for the realization of the objects of the Society;
- Buying, owning, holding, leasing, mortgaging, selling, and conveying such real and personal property as may be necessary or desirable in the carrying out of the objects of the Society;
- The Society is a non-profit organization. The Society shall be carried on without purpose of pecuniary gain to any of the members. Any surplus or any accretions of the Society shall be used solely for the purposes of the Society and the promotion of its objects. The Society shall not carry on trade, industry, or business.
- If the Society ceases to operate, is wound up, or is dissolved leaving any property remaining after satisfaction of all its debts and liabilities, the remaining property shall be paid or delivered to some other charitable organization in Canada, having objects similar to those of the Society.

The Society will conduct its activities within the area of the province of Nova Scotia

The club was formed over fifteen years ago as the result of a casual meeting between two British car owners and their vehicles on the streets of Wolfville Nova Scotia.

As there were no British car dealers in existence, it was decided to keep in closer contact to share experiences and expertise.

This has since evolved into a club that was Registered in Nova Scotia in 1995 and now has over 170 members from Vancouver to Newfoundland and many Provinces in between.

### Club Activities

During the summer months, there are scheduled activities which can range from a tour of one section of Nova Scotia to a fun Rallye or a Show & Shine. Our primary activity is **touring** as our name implies, and although some of the cars in the club are museum quality (there are many more newer ones) we prefer to maintain and drive them.

The first week in August is our annual seven day tour to some part of the Maritime Provinces. In the past we have visited Stowe, Vermont, Prince Edward Island, St. Andrews by the Sea, Newfoundland, Cape Breton, explored Nova Scotia's south shore and this year we are touring the Acadian Shore of New Brunswick.

You will find many members with extensive knowledge in the repair and maintenance of everything from an HRG (see cover) to the later MGs, Triumphs and even Sunbeams, who are willing to share their experiences and provide assistance when needed.

We have also started a collection of special tools such as an engine hoist which are available to members if needed. We also maintain lists of major parts suppliers around the World.

### Joining B.A.T.A.N.S

A one year membership (Jan. to Dec.) is only \$30.00 and \$20.00 for out of province members. This entitles you to receive four information filled issues of the quarterly newsletter *SMALL TORQUE*, in which you will find all the upcoming events listed and write-ups on past events as well as a comprehensive For Sale and Wanted columns.

Please fill in the form below and send it with a cheque to BATANS, to the address below and we will send you the latest edition of *SMALL TORQUE* and a membership directory.
