

# British Car Days OF New Brunswick

August 6, 7 and 8th, 2010

New Event Car Rally

Hello Folks,

We would like to take this opportunity to wish everyone the best of the season and extend best wishes for 2010. We would also like to thank you for participating in our 2009 British Car Days of New Brunswick.

The 2009 British Car Days of New Brunswick was a great success. In our second year, we had 41 cars registered and more than 60 people attended our banquet on Saturday evening. This fall, we had members visit the British Invasion in Stowe, Vermont, where we shared information of our 2010 British Car Days of New Brunswick. We most recently met with officials of the New Brunswick Tourism Department, who were very impressed with all we have accomplished at the Bonar Law Common. As a result we have received a commitment from the Tourism and Parks Department to work closer with us and to assist in promoting the Bonar Law Common and the British Car Days of New Brunswick. With the renovations of the Bonar Law Common close to completion, all signs are pointing to an even better event for 2010. This year, for those interested, there are plans to include a car rally (*included with registration*) on Friday afternoon.

We would also like to recognize and thank the major sponsors of our event, Hannay's Buick, Chevrolet, GMC Ltd, Warren Group and Richibucto NAPA. As well, we were very happy to support the fund raising efforts of both the Rexton Lions Club and the Richibucto Lions Club in 2009. Although we hope to continue supporting these same organizations we will be offering other local non-profit groups the opportunity to approach us with their needs. One additional, not for profit organization, will receive support of the Bonar Law Common throughout the Year from various events, including the British Car Day of New Brunswick.

Once again happy holidays, best wishes and we hope to see you in 2010.
